

**In The Detailed Description of the Preferred Embodiment:**

Please Amend page 2, paragraph 10 as follows:

[0030] The x-ray sources 12, 20 send the x-ray flux 14, 21 through an object 16 on a moveable table [[27]] 17 controlled by a table control device 29 acting in response to signals from the host computer 24, as will be understood by one skilled in the art.
